

Small Stick-on RFID Tags

Our adhesive backed RFID tags and tokens are used in fisheries, forestry, supply chain management, production & manufacturing management, asset tagging and control, inventory management and for building and asset security applications.

Tag Type	Material	Operating Temperature	Size	Thickness	Reading Distance
Stick 14	Poly	40° C - 70° C	Ø14 mm	2.43 mm	60 mm
Stick 18	Poly	40° C - 70° C	Ø18 mm	2.43 mm	60 mm
Stick 25	PET	40° C - 70° C	Ø25 mm	0.6 mm	70 mm

Read distances calculated using GK4001 IC with EM 9917 Reader

Tags are available with the following IC's:

Available IC for Stick 14	Available IC's for Stick 18	Available IC's for Stick 25
